Subject: Texas SIP and permit requirements

Hi all,

I continue to develop this, and I anticipate adding the standard permit section to mirror the PBR section tomorrow, and to add a few details on OOOO/OOOOa (though those won't be the focus of this paper) and to do clean up. In the meantime, I am circulating this version so that you can review the PBR section and overall setup and provide any feedback of where I might be missing the mark.

Thanks!

Ginny
